We are circles of women rooted in the work of our Fore Mothers. We stand in the universal principles of Truth and Equality. We speak with One Voice and act with Compassion to illuminate and empower women to create, nurture and cultivate a peaceful and healthy Earth for all living beings. We are:

Uniting women's voices for common causes

Awakening and educating women's awareness to the forces that are destroying Families and Earth

Protecting and preserving the Earth, her environment, oceans, land, sky and creatures great and small

Preserving, protecting and nurturing Family

Securing food and water quality and accessibility

Creating and cultivating World Peace

Celebrating and promoting Women in History and the Arts

Supporting Indigenous Rights

Honoring and connecting women's spiritual traditions

Mobilizing the women's vote
